

Cross-country skiing weekend

COMBINE TRAINING AND NEW EXPERIENCES!

A training weekend with us at Camp Ripan is perfect for you who would love to combine cross-country skiing on natural snow with great food, a visit to Aurora spa and relaxation! At Camp Ripan you live right next door to nature in your own hotel cabin where already in November the ski tracks are waiting for you right around the corner. Just put on your skis and you're off! A short break in Kiruna gives you the perfect conditions to be able to focus on skiing and the routine that suits you best. Camp Ripan – an experience beyond the ordinary!

THURSDAY

Arrival and transfer to Camp Ripan.

Depending on when you arrive, you may have time for a round in ski tracks before dinner. The track system around Camp Ripan offers different levels of difficulty – easy, medium and intensive. With complete snow cover, there are 60 km of tracks, ten of which are lighted.

19.30 Two course dinner in Restaurant Ripan. After dinner you can enjoy a beautiful slide show of the northern lights on the second floor.

FRIDAY

07.00–09.30 Breakfast in Restaurant Ripan.

Time for the first workout of the day. If you want to develop your technique or knowledge on how to wax, enquire about booking a course. After a much needed lunch you can combine your afternoon skiing with physical exercise in our gym. Round off your training and exercise with a relaxing massage before visiting our Aurora Spa where a wonderful spa experience is waiting for you.

12.00 Lunch at Restaurant Ripan.

19.30 Two course dinner in Restaurant Ripan.
