

## VÅRA VINER

Våra viner är noggrant utvalda för att harmoniera med vår meny och ge dig en fantastisk smakupplevelse. Vi samarbetar med småskaliga vinproducenter runt om i Europa som arbetar hållbart och långsiktigt. De flesta druvor plockas för hand. Alla våra viner är ekologiska eller biodynamiska, framställda med stor omsorg och respekt för naturen.

**VI HJÄLPER DIG GÄRNA ATT VÄLJA RÄTT VIN, MEN OBSERVERA ATT ÖPPNADE FLASKOR ENDAST KAN ERSÄTTAS VID DEFEKT.**

## OUR WINES

Our wines are carefully selected to complement our menu and provide you with a fantastic taste experience. We work with small-scale wine producers across Europe who focus on sustainable and long-term practices.

Most of the grapes are hand-picked. All of our wines are organic or biodynamic, produced with great care and respect for nature.

**WE ARE HAPPY TO ASSIST YOU IN CHOOSING THE PERFECT WINE, BUT PLEASE NOTE THAT OPENED BOTTLES CAN ONLY BE REPLACED IF THEY ARE DEFECTIVE.**
