The prices apply per person and for parties between 10
and 150 people where the entire party chooses the same
dishes (with the exception of possible dietary deviations).

Price for drinks is not included.

Restaurant

Your choice of meny is then served in our restaurant. Depending on the season, we may have the opportunity to give your party a seperate, secluded part of the restaurant for parties up to about 80 people. For larger parties, it may also be possible to book the entire restaurant with a capacity of 150 people. Contact us with your specific request.

The Breathing Space

The menu can also be served in "Andrummet" (The Breathing Space) with a capacity of 38 people. There will be another venue fee for this. It's a separate wing adjacent our main building designed specially for a moving and joyful gathering. There is also the possibility of holding the ceremony itself here..
